

A diagram of a playing card template. It features a light blue rounded rectangle representing the mat. Inside this is a pink rounded rectangle representing the cutter line. Inside the pink rectangle is a green rounded rectangle representing the text safe area. Four black lines extend from the corners of the blue rectangle to the edges of the page, indicating registration marks.

Playing Card Template 63mm x 89mm

Blue line : This represents the bleed for the mat, all images that you want to extend to the very edge of the mat must meet this line. Please note that all ECONOMY playing cards must have a white border.

Pink line : This represents the cutter for the mat, all images not intended to bleed off the edge of the mat must be within this line.

Green line : This represents the text safe area, all text must sit within this line.
